Dear Chief,

The New Hampshire Chiefs of Police Law Enforcement Foundation will be holding a banquet honoring a Law Enforcement Officer, a Fire Fighter, and a Medical Responder as an Outstanding Person of the Year, in each of those categories.

We are asking all Chiefs in the State of New Hampshire to look at their personnel and nominate a candidate. This person may be nominated for various reasons. Instead of establishing any specific criteria, we are leaving it to your discretion. Many individuals have performed exceptional deeds while on duty, but we also know that many individuals work very hard and give much of their off duty time in community involvement and volunteer work.

We are requesting all nominations be submitted by May 1, 2008. Our date for the banquet is October 1, 2008. Please mail your nominations, together with a brief outline of why you feel this individual is an outstanding person of the year, to P. O. Box 520, Epping, NH 03042.

We know there are many deserving individuals in our State, so please take the time and nominate someone from your area.

Very truly yours,

**John P. Curran**
